

P. K. Koul
Founder Chairman and Managing Trustee

Qualifications:

- Masters in Economics
- Post Graduate Diploma in Human Resource Management (PGDHRM)

Professional Experience:

With a career spanning over 35 years, P. K. Koul has dedicated his professional life to the service of underprivileged and marginalized communities, especially in rural and urban areas. As a former Additional Secretary in the Jammu & Kashmir Administrative Service (JKAS), he was responsible for the planning, implementation, and monitoring of numerous developmental programs aimed at improving the socio-economic conditions of disadvantaged groups.

His work has been instrumental in delivering long-term projects through community participation, often in collaboration with government and international development agencies. His focus has been on addressing the needs of women, youth, elderly, and other marginalized sections of society, ensuring sustainable development with a human-centered approach.

As the Founder Chairman and Managing Trustee of DISHA-INDIA, Mr. Koul continues to lead efforts in driving positive social change, fostering inclusivity, and empowering communities to realize their full potential.

BIO – DATA

Name - P. K. Koul
